TPA Corporation

SERVING UNIONS SINCE 1987

COMPLETE BENEFIT ADMINISTRATION SOLUTIONS

Powerful Software. Proven Expertise. Dedicated to Unions.

TPA Corporation provides **powerful software and administration services** that simplify complex benefit processes so you can focus on what matters most—your members. Our **TPA-Office™** platform is a modular, fully integrated system designed specifically for Taft-Hartley benefit funds and labor organizations.

OUR SERVICES

ENROLLMENT PLATFORM
Streamline member enrollment with an easy-to-use online platform. Collect data, documents, and e-signatures efficiently.

RECIPROCITY
Manage incoming and outgoing reciprocal contributions between locals and funds with accuracy and ease.

ELIGIBILITY
Define plan rules and automatically calculate eligibility. Our data feeds connect with over 50 vendors, banks, PPOs, actuaries, accountants, and law firms.

COBRA
Generate COBRA notices, track payments, and seamlessly connect COBRA coverage to eligibility.

CONTRIBUTIONS
Track employer contributions, payments, rates, delinquencies, billing, and related accounting.

EMPLOYER ONLINE CONTRIBUTIONS & PAYMENTS
Empower employers to submit contribution information and make payments online.

PENSION
Administer defined benefit, defined contribution, and hybrid pension plans including work history, credits, and pensioner information.

VACATION
Track vacation benefits, balances, transactions, checks, and direct deposits.

ANNUITY / 401(K)
Track contributions, member accounts, interest and expenses, checks, and statements.

DISABILITY
Support for disability benefit administration.

UNEMPLOYMENT
Maintain unemployment eligibility and payments.

INDUSTRY PROGRAMS
Administration for Market Recovery, Industry Advancement, LECET, TARGET, CIC, and other labor-management programs.

ADMINISTRATION SERVICES
In addition to our cloud-based software, TPA Corporation offers expert administration services tailored to your needs.

WHY PARTNER WITH TPA CORPORATION?

BUILT FOR UNIONS
Specialized for Taft-Hartley funds and labor organizations.

FULLY INTEGRATED
Modular platform that grows with your needs.

SECURE & RELIABLE
Cloud-based technology with industry-leading security.

EXPERIENCED TEAM
Decades of experience serving unions since 1987.

PROVEN RESULTS
Streamline operations, reduce costs, and improve member satisfaction.
